INTRODUCTION

TO WHIMSICAL WINGS

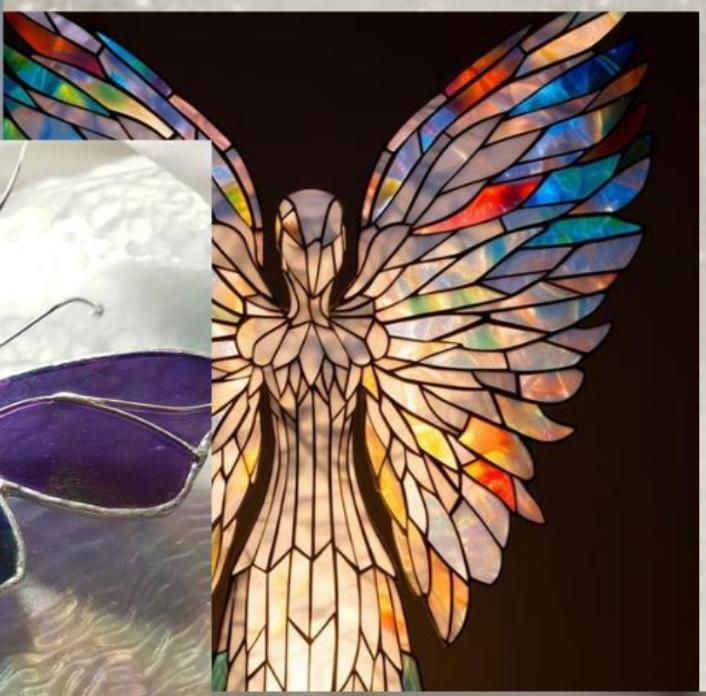

Inspired by the serendipitous union of nature and art, I present to you 'WHIMSICAL WINGS', a collection that embodies the ethereal beauty of butterfly wings and the radiant splendor of stained glass.

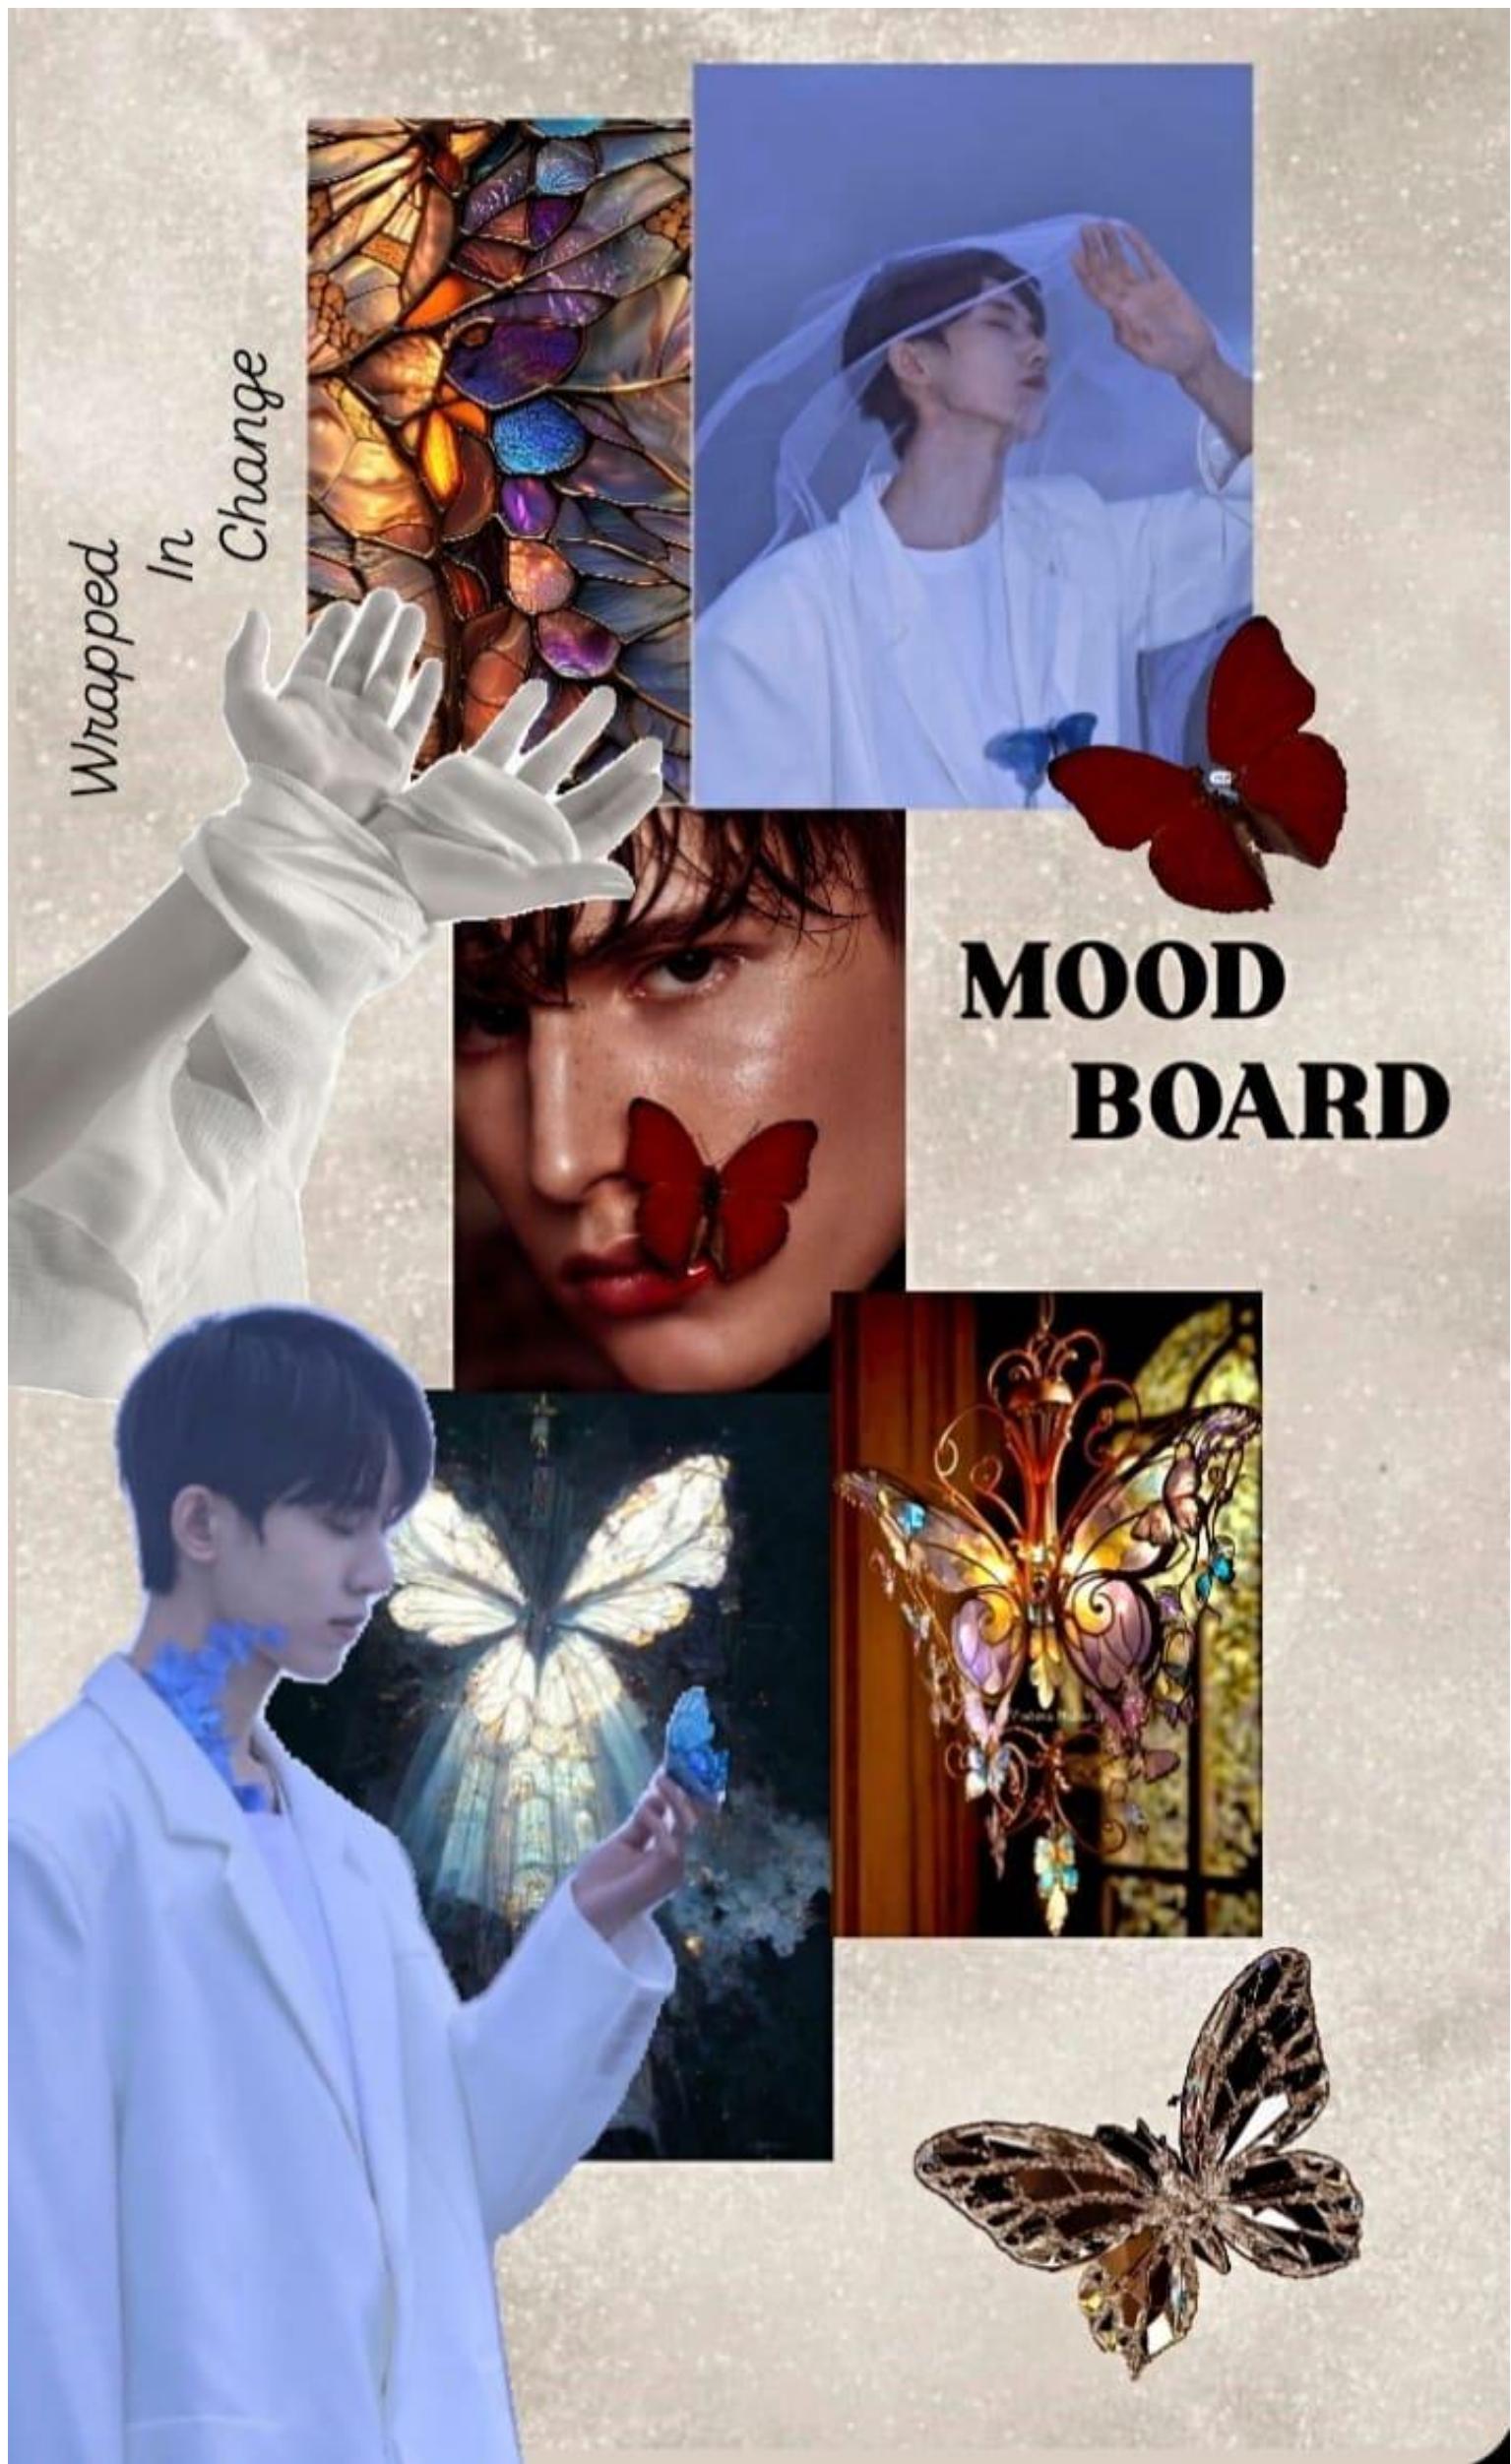

My men's wear collection, 'WHIMSICAL WINGS', combines these elements through innovative laser cutting and glass painting, featuring seven pieces with glass-cut butterfly motifs, shattering traditional notions that butterfly-inspired designs are solely feminine.

This collection is a tribute to the transformative journey of life, where every small action shapes our existence, and patience and hope can lead to beautiful growth.
